भारतीय आयुर्विज्ञान परिषद् MEDICAL COUNCIL OF INDIA

I am further directed to inform you that:-

"you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in respective Minimum Standard Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors for the increased intake and the said misconduct is brought to notice or comes to the knowledge of MCI at any stage during the current academic year, your institution is not liable to be considered for next renewal of permission for the increased intake for the next academic year and this letter of permission for the increased intake is also liable to be revoked for current academic year. Besides, MCI is entitled to take all such measures against you and your college/institution as permissible under the law."

The College shall not admit more than one batch of students against this letter of permission on the increased intake. The college shall also apply to Medical Council of India for renewal of permission against the increased intake well before the commencement of next academic session. While applying for such renewal, the achievements in terms of infrastructure, staff and equipments as spelt out in the time bound action plan and as per the norms by Medical Council of India, must be clearly indicated. The next batch of students against the increased intake shall not be admitted unless renewal of permission is granted by the Board of Governors, Medical Council of India/Central Government.

Yours faithfully,

(Dr. P. Prasannaraj)
